Stand & Market Membership

If you want to eat local, organic, fresh and great tasting produce,
but the normal CSA program does not work for you, this program will.

Would you like 10% OFF everything at our markets?

How it works:

Purchase a Stand & Market membership for $300. This will entitle you to $330 in credit (an effective 10% discount) at the Red Fire Farm Granby or Montague Stands and at our Farmers' Market stalls all year. Additional credit can be purchased at $90 for $100 credit.

You can then stop at the markets or stands any day (the stands are open seven days per week May-October) and select produce as well as other locally produced items such as milk, pickles, honey, maple syrup or any of the other items that we sell at the stand. Each time you select items, you subtract the value from your credit account by swiping your membership card. *Membership credit must be used within the calendar year it was purchased from January to December.*

Benefits for Red Fire Farm Stand & Market Members:

★ Use at any Red Fire Farm retail location including: **Old Depot Gardens Farm Stand in Montague, the Granby Farm Stand at 7 Carver Street** & any of our Winter or Summer **Farmers' Market Booths (Springfield, Northampton, Amherst, Greenfield, Somerville, Wayland, Boston South Station)**

★ Select exactly the produce you need, when you need it with access any time the stands are open.

★ Credit can be used for all products sold at the farm stands, not just produce.

Pick Your Own prices will be about half of what the item would cost pre-picked at the stand. Cutting privileges in the *herb and cut flower patches are free with membership*.
